

2022 National Conference

Keeping ahead of the curve

Monday 10 October 2022, Canberra, ACT – East Hotel, 9am to 5pm

Register Now!

The **2022 IMC Australia National Conference** will bring together professionals, business improvement leaders and technical specialists from many industries, sectors and disciplines to share their expertise and insights necessary to **Keep Ahead of the Curve**. Learn from experienced leaders in their respective fields as they share insights that have enabled them to stay in front of the rapid changes happening around us.

We have chosen our nation's capital, Canberra, as the perfect backdrop for a conference that is focusing on helping you to Keep Ahead of the Curve of the latest developments happening nationally and globally. The event will also be livestreamed this year to enable those who are unable to attend in person to view the presentations via a live link.

Session themes include:

- **Entrepreneur initiatives** for management consulting services in Australia
- Keeping ahead of the **cyber security** curve – what you need to be doing now
- When **the Commonwealth Government is your client**
- The art of **leveraging collaboration to access bigger projects**
- Tips for **changing your business model in a VUCA world**
- Ethics and the **benefits of the 'ethical advantage'** for management consultants

IMC is bringing together a stellar list of presenters to bring you up to date on some of the burning issues for management consultants at this time.
